“What Wilt Thou?”

Grand Worthy Matron's Acceptance Speech

July 10, 2024

To: All Grand Chapter Elected & Appointed Officers, Past Grand Matrons, Past Grand Patrons, Worthy Matrons, Worthy Patrons, Sisters, and Brothers of Prince Hall Grand Chapter, Order of Eastern Star, State of Washington & Jurisdiction.

Greetings,

First giving honor to the source from where all of my blessings come from – Thank you, Lord. I am blessed because of what he has done and not done for me, but most of all for how he has molded me, for such a time as this. I am blessed because I know “whose I am.” It is also a blessing to have a family that understands without having to explain. As a veteran of the U.S. Air Force, wife of a veteran, and a daughter of a Marine, my family has been wherever I’ve been and I am thankful for my Eastern Star PHAmily all over the world.

Thank you for electing me as your Grand Worthy Matron. It is an extreme privilege and an honor. As Shirley Chisholm has said many times during her life, “Service is the rent we pay for living on this earth.” Do know that my intent is to govern and serve this jurisdiction with the utmost integrity and in a way that is just and allows for innovation while upholding the legacy of those that have served before me. **That being said...** it’s also important for me to say, that mistakes will be made, I’m almost certain of it. I pray that grace and love abides when any of us falls short of expectation. Rest assured, I will strive to do my best as I represent **us** as your Grand Worthy Matron of this beautiful jurisdiction.

I ask for your support in advance as **we** collectively aim to do what is best for our Grand Chapter and the Order, rather than for ourselves. As Colin Powell said, “If you are going to achieve excellence in big things, you develop the habit in little matters. Excellence is not an exception, it is a prevailing attitude.” **That being said...** there are some folks who are more interested in discussing their achievements, accolades received, who they are and what they’ve done *instead of letting their work speak for them*. Please understand and **believeth thou this**, “I am immensely proud of the various achievements that I have earned, to include the right to be called Doctor, but I am most humbled by the title of Sister... That is who I am and who I be!”

I just want to give thanks to all that I have had the pleasure to serve side by side with over the last 12 years. Whether we worked on joint committees, served to meet a need that wasn’t being met, or simply enjoyed breaking bread, I am appreciative that when my iron is low, that there are sisters and brothers of iron all around me. Iron sharpens iron and we must remember to keep our tools sharp.

PGM Peggy McClary, thank you just isn’t sufficient enough. I am humbled to have served with you and our PGP Lewis for so many years. Both of you have been guiding lights even when darkness tried to prevail. I thank each of you for your exemplary service to this jurisdiction. I look forward to continuing to serve with you. Thank you, **Past Grand Matrons and Past Grand Patrons** who have lent your strong support in more ways than one... and without hesitation to do so.

A Worthy Matron has a tough role to fulfil, and it must never be taken lightly. What I clearly understand is that Worthy Matrons and Worthy Patrons are not only expected to lead and guide their chapters, but also, meet the expectations set by the Grand Worthy Matron and Grand Worthy Patron. My journey as an Eastern Star started in the land of the Rising Sun – in Tokyo, Japan when I joined Sakura Chapter #28. I served as Worthy Matron from 2010-2011. When we nurture our chapter and its members, the memories made and the sisterly relationships formed over time are priceless.

Trust me, I know. I am fortunate that such a friend and sister made sure that she came this year, not only for Grand Session, but to be present during the installation today. PM Tracey Brumfield and I both joined Sakura Chapter #28 at the same time and as the journey continued... 17 years later our sisterly bond is still just as strong. **I am excited to work with all of our Worthy Matrons and each of your respective chapters** in the coming months.

Moreover, **no matter what seat you hold**, as sisters and brothers, I want to impress upon you what I have come to learn, *“Hope looks past what is not and imagines what could be. Hope believes in the unexpected and the unknown. Hope knows that your story is not over yet. There is more to be discovered and more to be revealed.”* **So, I ask you... “What Wilt Thou?”** When we walk into any room without saying a word... it should be brighter. As a SiSTAR that I’ve recently met said, “...collectively, we can shift the vibe in any space and make it difficult for darkness and negativity to persist. We have the power to drive what isn’t welcome out of this room or any other for that matter – with our collective shine.” **So, I ask again... if we love one another – what wilt thou?**

To the newly elected and re-elected members of our Grand Administration, I cannot emphasize this enough - when more women are empowered to lead, everyone benefits! Women leaders help increase stewardship, enhance collaboration, and inspire organizational commitment and dedication. **No one can empower another woman like a woman can.** When we reflect on the oaths that we took, let’s also remember that as leaders in this organization, that you are uniquely positioned to make a positive impact, inspire change, and pave the way for future generations. **Now is the time.**

Grand Worthy Patron, what can I say? The two of us have been like 10 toes in a sock for a good while. I am honored to serve with you again doing this ensuing year!

In Luke 12:48, it is written that to whom much is given, much is required. This has been the anthem of my life. Again...it is not a question of where my blessings come from. That being said, we all have been espoused with the weight of ensuring that our jurisdiction not only thrives, but also to co-create sustainable practices that allows us to continue our good works and services to our communities, sisters, and brothers in need. Now is the time. **Many hands make for light work.** So, for a third time...**What wilt thou?**

This year, the plan is to focus on reconnection with our Sisters and Brothers in our jurisdiction, strengthening fraternal relationships through community service, leadership development, improved communication, and some short-term and long-term initiatives recommended by several members of our body. Some things to keep in mind:

1. I plan to distribute all 2024-2025 appointments and committee assignments by the end of this month.
2. I plan to call our first Grand Officer’s meeting by the 1st week of August, if not before.
3. We have the Unity March in August coming up.
4. D-9’s District Session & Visitation is planned to occur from August 29th – September 1st.
5. If you have not registered to vote, please be sure to do so. Your voice and vote matters!

Again, I look forward to our collective service as we continue to do good works, make substantial impacts, and long-lasting memories within our jurisdiction and community at large. It is my hope, that when we return to the 112th communication that we will be able to marvel at how brightly our light has shined throughout the year for the benefit of others and each other!

Fraternally,
Dr. Tysha Tolefree
